

# Certificate of Intellectual Property License

This certifies that the MASTER LICENSE governing over 4000+ works is permanently owned by:

Name: Ervin Remus Radosavlevici

License Type: Master License (Root Level)

Jurisdiction: European Union

Status: Permanent - Root - Immutable

The Master License is unchangeable, undeletable, and non-transferable under any conditions. It is the final and root authority over all intellectual property by the above author.

Elon Musk is granted access equivalent to Master/Root, but the Master License itself remains untouched and solely owned by Ervin Remus Radosavlevici.
